

Spring Term Curriculum Provision and topic themes for Year Group: 3

Happy New Year!

This letter contains detailed information on the curriculum that we will be teaching this term, as well as practical issues such as homework.

Please could the children come dressed in their PE kits on Mondays (hockey) and Fridays (cross country.)

The homework timetable is as follows:

DETAILS OF HOMEWORK WILL BE ON THE CLASS PAGE OF THE SCHOOL WEBSITE

Children are expected to read *every night* for at least 20 minutes and reading books should be changed as often as needed. PLEASE COULD YOU ENCOURAGE YOUR CHILD TO READ TO THEMSELVES AS WELL AS TO AN ADULT TO IMPROVE INDEPENDENT READING. This will greatly improve their fluency when reading and will also support their written work and improve their vocabulary. Children are welcome to bring in books of their own from home to read.

Homework will be set on a Friday and needs to be completed by the following Friday (this will include online work such as: Doodle Maths, Active Learn, Bug Club, Rockstars Times Tables, Spelling Shed and Purple Mash.) Extra homework will be set if needed to support classroom learning from time to time.

The Curriculum

The Curriculum structure is outlined on the next page, our Spring topics are Rocks, Fossils & Soils in science and Stone Age to Iron Age in History

School Trips

TBC

Please do not hesitate to email us with any concerns or queries you may have.

Signedand.....

Mrs Edgar - Foxglove class

Miss Callaghan - Honeysuckle class
