

On Tuesday 28th February Southborough School's Years 5 and 6 rugby teams played a tournament at Old Beccs RFC.

Southborough had 2 teams entered into the tournament. It was a massive tournament and there were 40 teams altogether. We were all very nervous but very excited at the same time.

The Year 5 team played amazingly well together and made fantastic progress, improving greatly with every game. They scored numerous tries and their tagging was brilliant. They only lost 1 game in the whole tournament.

Huge congratulations: Max L, Reggie B, Musa C, Jacob C, Daniel J, Lily M, Natarlia M, Jessica O and Jessica D.

The year 6 team came runners up in their group and played in the Cup Competition in the afternoon. The standard of rugby was incredibly high and the team played really well together scoring some amazing tries. The team finished 4th overall.

Well done: JJW , Frederick J, Freddie M, Ben J, Jack R, Aaron W, Zac A, Ayana H, Dailah D and Josephine A.

Mr Fotheringham was incredibly proud of both teams and impressed with how well you played as a team and how you encouraged and supported each other in every single game.

Well done Southborough!!
