

### Message from Mrs Berthoud

Welcome back to to new school year and welcome to all the new children and families who have joined the Southborough family this year.

We have three new school rules - simply put:

**Stay Safe**  
**Be ready**  
**Be Kind**

The children have already been introduced to **Be Kind** last term and what this means. This term we are focusing on **Stay Safe** and all the different ways the children can be safe eg online, in school and out on the street.

### Attendance Matters

### LEARNING

Staff worked last week to come up with a new vision for the school:

At Southborough, we support every child to flourish in an ever changing world, through a nurturing and inclusive environment.

We deliver a rich curriculum where children develop life long memories and a passion for learning.

Together with families, staff and the wider community we build a foundation where children are kind, independent, resilient and responsible.

**#TogetherWeFlourish**

### HAPPY

We are certainly happy with all the new building works which happened over the summer.

A new hall floor - gone is the bouncy floor and gaffa tape!

An AMAZING new outdoor area for Early Years

and finally lovely the outside of the school have had a face lift with new fascias to replace the rotting boards!

See the next page for photos.

### SAFE - Behaviour focus

Our school rule focus: **STAY SAFE**

Our behaviour focus of the week is: **Follow the school rules**

Personal Goal focus: **Ethical**

### Parking reminders

Please do not park in BYMT - parking fines are beginning to be issued today for anyone not registered using the car park or parking on the yellow lines.

Please do not park across people's drive on Oxhath Crescent as this prevents people leaving as needed as neighbours have already complained.
